Copies of photographs

Copies of photographs are delivered in electronic format or as printed copies on request. The customer can request low resolution photos of different options.

The digital photos are delivered within a reasonable period of time and larger batches are delivered by agreement. The prices include publishing fees. The fee is fixed and does not vary according to the medium where the picture will be published. The digital photos are delivered on an agreed storage device or by e-mail.

Photography studio

Customers can rent a photography room by special agreement to digitise the archive material or photos or to take photographs.

Digital photos	€10/delivery
Digital photos	€30
Printed copies	From €35 (price depends on the size)
Postal service	€10 + price of the storage device
Rental of a photography studio room	€30/hour.

Remote loans

The borrowed material is delivered directly to you as a Matkahuolto package. The borrowed material must be returned using Matkahuolto delivery packages to ensure safe delivery. The borrowed material is delivered and returned using the Labour Archives mail boxes. The price depends on the size of the shipment and ranges between €60 and €100.

Audiovisual material

Delivery fee €15/set + price of storage device. Labour cost €10/hour.

Consultation and archive enquiries

Labour cost €40/hour. Small enquiries are handled at no additional cost.

Postal service

Postal fee + 10%, minimum fee €5. The prices include shipping and handling.
